

# K-12/EDU APPLICATION SUITE FEATURE SET

MODULE	FEATURE	v3.2.2	v4.0
(all)	Supports PNG-compatible Cisco IP Phones (7970G)		
(all)	Supports CIP-compatible Cisco IP Phones (7960G/7940G)		
(all)	Supports non-graphical Cisco IP Phones (7912G/7905G)		
(all)	Dynamic determination of phone type (7970G, 7960G/7940G, 7912G/7905G)		
(all)	SIF agent available for participation within a SIF-compliant network		
(all)	Interfaces with ODBC-compliant back-office student information systems (e.g., SASIxp, Pentamation, Skyward)		
(all)	Password and PIN security log-in		
(all)	Web-based installation interface		
(all)	Web-based system administration interface		
(all)	Web-based back-office student information system connection interface		
(all)	Cisco Independent Verification Testing approved (Cisco Compatible)		
(all)	Computer-based end-user training		
(all)	Remote installation by AAC Inc.		
(all)	Installation by customer or VAR via web interface		
(all)	Documentation set: 1. Volume 1 – Demo Installation Guide 2. Volume 2 – Demo Guide 3. Volume 3 – Product Installation Guide 4. Volume 4 – End User Guide 5. Volume 5 – Administrator Guide 6. Volume 6 – Sales Guide	     	
Attendance	Customizable status symbols: 1. Present 2. Absent 3. Tardy/Late 4. Pre-Approved Absence 5. Early Dismissal 6. Birthday 7. Perfect Attendance Status	      	      
Attendance	Password and PIN security log-in		

MODULE	FEATURE	v3.2.2	v4.0
Attendance	Records locked once submitted		
Attendance	Student pictures for identification purposes		
Attendance	Classes displayed filtered by teacher		
Attendance	At-a-glance school administration check of submitted and not-submitted classes		
Attendance	Historical data retrievable while talking with parent on the phone		
Attendance	Intelligent warnings if a student was flagged present in previous class but being flagged absent in current class (possibly skipping the current class)		
Attendance	Intelligent warnings if a student was flagged tardy/late in previous class and being flagged tardy/late again in current class (tardy abuse)		
Daily Bulletin	Absentees listing filtered by teacher		
Daily Bulletin	Tardy listing filtered by teacher		
Daily Bulletin	Early dismissals listing filtered by teacher		
Daily Bulletin	Pre-approved absentees listing filtered by teacher		
Daily Bulletin	Customizable news categories via web interface		
Daily Bulletin	Substitute/supply teachers listing		
Daily Bulletin	Dynamic early dismissal notices with audible alarm sent to appropriate teacher's phone identifying authorized pick up individual		
Phone Book	Look up individuals by job function		
Phone Book	Look up individuals by name		
Phone Book	Auto-dial individuals from application		
Hall Pass	Student list filtered by teacher		
Hall Pass	Most commonly used hall pass destinations appears first		
Hall Pass	Customizable categorizations for hall pass destinations via web interface		
Hall Pass	Specify destination room		
Hall Pass	Once issued, hall passes accessible from all phones on campus		
Hall Pass	At-a-glance view of all active hall passes in entire school		
Hall Pass	Hall pass history by student		
Hall Pass	Hall pass history searchable by time frame		
Hall Pass	Hall pass abuse (e.g., requests for hall passes each period) alert notifications to teacher and security officer		
Hall Pass	Destination phone receives low-level audible alert of hall pass		
Hall Pass	Destination phone receives text hall pass on LCD		
Hall Pass	Hall pass issuer can optionally copy security officer of hall pass issuance		

MODULE	FEATURE	v3.2.2	v4.0
Hall Pass	Hall pass reversible by single press of phone button		
Hall Pass	Reversed hall pass textually alerts return destination of student's pending arrival		
Hall Pass	Reversed hall pass audibly alerts return destination of student's pending arrival as an option to the issuer		
Hall Pass	Hall pass can be canceled by single press of phone button		
Hall Pass	Hall pass has student picture associated with it		
Hall Pass	Alert if the maximum allowable hall passes for a given destination has been exceeded (customizable per destination)		
Hall Pass	Optionally print hall pass to local printer		
Student Management	Quick view of student's photo for identification verification		
Student Management	Early dismiss student function		
Student Management	Customizable reasons for early dismissals		
Student Management	Customizable authorized pickup identifications for early dismissals		
Student Management	Customizable time increments for early dismissals		
Student Management	Retrieve student's contact data function		
Student Management	Auto-dial student's contact from within the application		
Student Management	Quick view of student's enrolled classes		
Student Management	Quick view of student's daily activities (hall passes, attendance, tardiness, pre-approved absences, early dismissals)		
Student Management	Historical view of student's daily activities (hall passes, attendance, tardiness, pre-approved absences, early dismissals)		
Student Management	Pre-approved absence function		
Time Keeping	Log in function		
Time Keeping	Log out function		
Time Keeping	Log out reminder function		
Time Keeping	Quick view history of time logs		
Time Keeping	Manager's view of time keeping history		
Time Keeping	Administer PIN code function		
Time Keeping	Employee view of hours worked per selected period		
Visitor/Intern Control	Quick photo view of temps and interns assigned to work in the school		

MODULE	FEATURE	v3.2.2	v4.0
Visitor/Intern Control	View details of volunteer/temp/intern work assignments (name, job function, assignment location, period of performance, work days/hours, reporting manager, school phone number, cell phone number)		
Visitor/Intern Control	Quick photo view of contractors allowed access to the school		
Visitor/Intern Control	View details of contractor authorizations and work assignments (name, company, project name, assignment location, period of performance, work days/hours, reporting manager, school phone number, cell phone number)		
Visitor/Intern Control	Quick photo view of visitors signed in to the school		
Amber Alerts	Audible official Amber alert sound played on phone		
Amber Alerts	Amber alert text displayed on phone's LCD		
Amber Alerts	Description and photo(s) of victim(s) displayed on phone		
Amber Alerts	Description and photo(s) of suspect(s) displayed on phone		
Amber Alerts	Description and photo(s) of suspect's vehicle displayed on phone		
Amber Alerts	Subscribe based on range(s) of 3-digit ZIP code prefixes		
Amber Alerts	Amber Alerts included with PhoneTop K-12 at no charge		
Amber Alerts	Auto-dial to report a sighting
